

HAPPY DAY:

INTRODUCTION

Doors open!

Admire its matron wearing a big smile of enthusiasm and her wheat hair spreading ideas to the wind.

ACT 1

Their **sewing and cutting machines**, singing **multicolor threads**, dancing with forgotten fabrics, until they change into suits. Meanwhile, dyes raining, colors dropping, words breathing. And, even though, clothes by the end get consumed, people always stay. Lets start then to create non-stop!

ACT 2

Treasure will make you dreams come true. **The workshop keeps the sewing material**, which is a pure delight. Designing pieces of clothing or complements if, one day, exploding of happiness and joy, between friends and family. Create a tailor-made item!

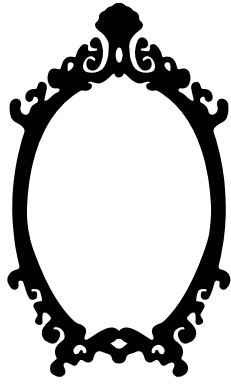

ACT 3

Afternoon snack, **energy tea**, dressing piece, we complete with experience...

...with an **unexpected surprise !!!**
